Subject: topics for discussion in my General

Jan et al.,

See you soon in my General. Topics for discussion are below:

1. **Metamitron RRA:** Shared draft memo with RR committee last Thurs; meeting with Jessica Joyce on the 11th to discuss any questions
 - a. Alternative fruit thinners – carbaryl, NAA, BA
 - b. Reduced risk supported due to better/similar fate and eco profiles
2. **Broflanilide – PFAS**
 - a. Pending broflanilide new uses (corn seed treatment and poultry house)
 - b. DD briefing on 5/26 and OD briefing on 6/9
 - i. are we going to approve the new uses for PFAS chemicals
 - ii. guidance development on policy moving forward
 - c. OPP team met last week to go through slides; II meeting this week to finalize slides
 - d. Broflanilide degradates are also PFAS chemicals; while the persistence and toxicity of the PFAS side chain is unknown, the toxicity of the PFAS degradates is significantly less than the parent based on data available on all degradates; no additional studies needed
3. **Enlist:**
 - a. Met with Michele last Fri: Suggested

Ex. 5 Deliberative Process (DP)

4. **2,4-D runoff mitigations:**
 - a. PRD is planning to set up a briefing for DDs (late May) to receive direction on whether or not to go the picklist route
 - i. Several of us (including BEAD) have concerns about atrazine going picklist route and if 2,4-D does, we are penalizing growers and forcing them to shift to dicamba
5. **Neonics ESA:**
 - a. RTC for BC review this week
 - b. Kris developed new timeline for JAM analysis and informal consultations with the Services – BCs will discuss this prior to resending it to you
 - c. Vanessa and Rebecca completed JAM analysis for terrestrial vertebrates for imi; document in review now; will be working on thia and clothi next

- d. Based on the success with Rebecca shadowing Vanessa, once Vanessa start working on terrestrial inverts, Gary will be shadowing her to help out neonic teams while learning ESA in preparation for his new chemical (epyrifenacil) ESA
 - i. Peter will be shadowing Frank on JAM for plants

6. Pollinator Team Activities:

- a. **Non-Apis Database** got a new lead; meeting with Kris this week for the hand off
- b. **Meeting with Craig Czarnecki/FWS and PT:**
 - i. met with Kris last Fri to get the background
 - ii. will be reaching out to Craig this week and will set up a first meeting with Tom, Keith, and Kris and Tom Purucker (ORD)
 - iii. Offsets a possible topic for collaboration

7. Miscellaneous:

- a. Harry requesting 4 weeks of situational telework
- b. ERB1 Social on fave hikes
